SECTION 3 GENERAL PROVISIONS

3.1 The Life Insurance Contract

Your life insurance contract ("Contract") consists of this Certificate, including all supplemental changes, endorsements and riders to this Certificate, the Applications, and the Constitution ("Articles of Incorporation") and Bylaws of Catholic Knights. Any changes, additions or amendments to the Constitution or Bylaws of Catholic Knights duly made or enacted subsequent to the issuance of this Certificate shall bind the owner and the beneficiaries and shall govern and control the Contract in all respects the same as if the changes, additions or amendments had been made prior to and were in force at the time of the Applications for membership and insurance, except that no change, addition or amendment shall destroy or diminish benefits which Catholic Knights contracted to give the owner as of the Certificate Date.

If you cease to be a member of Catholic Knights for any reason except for non-payment of a premium or within the contestable period for material misrepresentation in the application for membership or insurance, you may maintain the Contract in force by continuing payment of the required premium. No provision of Catholic Knights' Constitution or Bylaws provides for the termination of coverage under this Contract.

We assume that all statements made in the Applications were made to the best of the knowledge and belief of the person who made them; in the absence of fraud they are deemed to be representations not warranties. We relied on those statements when we issued the Certificate. We will not use any statement, unless made in the Applications, to void this Contract or to deny a claim.

No change in this Certificate is valid unless it has been approved by the insurance supervisory official of the state in which this Contract is delivered and by an officer of Catholic Knights. No agent or financial services representative has authority to change this Certificate or to waive any of its provisions.

3.2 Incontestability

This Contract will not be contested by us after it has been in force during the lifetime of the Insured for two (2) years from the Certificate Date except for (a) non-payment of premium, and (b) fraud in the procurement of this Contract when permitted by applicable law in the state where this contract is delivered or issued for delivery. This provision will apply from the date this Contract is reinstated with regard to statements made in the application for reinstatement.

3.3 Suicide

If the Insured dies by suicide, whether sane or insane, within two (2) years from the Certificate Date, we will pay no more than the sum of the premiums paid without interest less any Indebtedness, less any dividends paid, and less any partial withdrawals.

3.4 Misstatement of Age or Sex

If the age or sex of the Insured has been misstated, the current face amount and every other benefit payable will be the amount which the most recent Cost of Insurance Rate would have purchased.

3.5 Maintenance of Legal Reserves

If for any reason our reserves as to all or any class of policies become impaired, Catholic Knights' Board of Directors or a corresponding body may require that there shall be paid by the owner to us the amount of the owner's equitable portion of such deficiency.

If the payment is not made it shall stand as an Indebtedness against the Contract and draw interest at the rate of interest set by us for loans in accordance with Section 11.2. In lieu thereof or in combination therewith, the owner may consent to an equivalent reduction in benefits.

The foregoing provisions of this Section 3.5 correspond in substance to a section of the Catholic Knights Bylaws. No other provision of Catholic Knights' Constitution or Bylaws provides for any reduction of benefits under this Contract.

3.6 Annual Report

At least once each year we will send a report, without charge, to the owner which shows current information as of a date not more than four months prior to the date of mailing. This information includes the following:

- 1) The beginning and end dates of the current report period.
- 2) The Account Value at the end of the current report period;
- 3) The amounts (identified by type) that have been credited or debited during the current report period;
- 4) The loan balance, if any, at the end of the current period;
- 5) The death benefit at the end of the current period; and
- 6) The Cash Surrender Value, if any, at the end of the current report period.

If assuming guaranteed interest, mortality and expense loads, and continued scheduled premiums, the contract would terminate due to excess indebtedness, a notice to this effect will be included in the report.

3.7 Illustration

Upon your written request, we will provide one illustration of future death benefits and surrender value in any contract year. The illustration will be based on necessary assumptions specified by us and/or you. Additional illustrations are available upon your written request for a fee not to exceed \$25.00.

3.8 Forms and Procedures

We may require the owner to follow our procedures and to use our forms to take any action, such as changing a beneficiary or requesting a payment. We may require the owner to submit this certificate for endorsement to show any change. The owner may obtain any information and forms from an authorized agent or the home office.

SECTION 4 OWNERSHIP

4.1 The Owner

The owner is named on page 3. All Contract rights may be exercised by you or your successor or transferee, without the consent of any beneficiary designated unless the beneficiary has been made irrevocable. These rights may be exercised only during the lifetime of the Insured and thereafter to the extent permitted by Section 14.

4.2 Transfer of Ownership

You may transfer the ownership of this Contract. Written evidence of transfer satisfactory to us must be received at our Home Office. The transfer will then be effective as of the date it was signed by you, subject to any payments made or actions taken by us prior to receipt of this transfer.

4.3 Collateral Assignment

You may assign this Contract as collateral security. We assume no responsibility for the validity or effect of any collateral assignment of this Contract. We will not be responsible to an assignee for any payment or other action taken by us before receipt of the assignment in writing at our Home Office.

The interest of any beneficiary will be subject to any collateral assignment made either before or after the beneficiary designation. The rights of an assignee may not come before the rights of an irrevocable beneficiary that is designated prior to the assignment.

You must give us notice of an assignment. An assignment, unless otherwise specified by the owner, will be effective on the date signed, subject to any payments made or actions taken by us prior to receipt of such notice.

A collateral assignee is not an owner. A collateral assignment is not a transfer of ownership. Ownership can be transferred only by complying with Section 4.2

4.4 Successor Owner

The contract owner may designate a successor owner to assume the responsibilities and duties of the contract owner in the event of the death of the contract owner. The successor owner may be an individual, at least 18 years of age, or a corporation, partnership, trust or other entity. The successor owner has no rights in regard to the contract and cannot direct any changes, conversion, transfers or cancellations, except in the event of the death of the contract owner. The contract owner may change the designation of the successor owner at any time.

SECTION 5 PREMIUMS AND REINSTATEMENTS

5.1 Premium Payments

The amount of the Initial Premium, the Planned Premium and its interval of payment are shown on the Contract Specifications page. The initial premium is due on or before the Certificate Date. Premiums received before the Certificate Date are applied on the Certificate Date. All premiums are payable at our Home Office or to any Catholic Knights financial services representative.

Premiums may be paid at any time before the Contract Maturity Date. You may pay more or less than the Planned Premium, but each premium that is not paid electronically must be at least \$25. However, to continue the Contract in force on each Monthly Anniversary the Net Account Value must be sufficient to cover the Total Monthly Deduction.

We reserve the right to not accept premiums, or a portion of a premium, if after the premium is applied the Base Amount of Insurance will be the Minimum Death Benefit as described in Section 6.2 and 6.3. Acceptance of premiums in this case is subject to our issue and underwriting requirements.

5.2 Premium Billing

We will send premium billings based on the amount and interval of premium payments you request. You may change the amount and, subject to our administrative rules, the interval or method of billing by giving Written Notice.

5.3 Premium in Default and Grace Period

A premium is in default on a Monthly Anniversary if the Monthly Deduction to be made on that day would result in a Net Account Value less than zero. Notice of the premium required for the grace period and to keep this Contract in force for three months will be mailed to you and any assignee of record, at the address last known to us. You will have a grace period of 61 days after the date of notice during which the Contract will remain in force. We will deduct any Monthly Deduction not made while the premium was in default. This Contract will terminate without value at the end of the grace period. Any premium payment sent by U.S. mail must be postmarked before the expiration of the grace period.

5.4 Reinstatement

This Contract may be reinstated within three (3) years after the end of the grace period unless it has been surrendered. Following the end of the grace period, to reinstate we require:

- 1) Evidence of insurability which meets our standards;
- 2) Payment of a premium sufficient to cover the Monthly Deductions that were not made during the grace period;
- 3) Payment of a premium sufficient to keep this contract in force for at least one (1) month; and
- 4) Repayment or reinstatement of all Indebtedness existing at the end of the grace period.

If all of the above requirements are met and we approve the application for reinstatement, reinstatement will be effective on the Monthly Deduction Date immediately preceding the date of our approval. If a Surrender Charge was applicable at the end of the grace period, we will issue a new Schedule of Charges restating the surrender charges. The new Schedule of Surrender Charges will not include the time between the end of the grace period and the date of reinstatement. There will be no Monthly Deductions or loan interest charged from the date of lapse to the date of reinstatement. Upon reinstatement, the Account Value is the Account Value on the date of lapse plus the Net Premiums received minus the Monthly Deductions that were not made during the Grace Period minus the Monthly Deduction on the reinstatement date.

5.5 Continuation of Insurance Coverage

This Contract will remain in force until the first of the following events to occur:

- 1) The date of death of the Insured.
- 2) The end of the grace period if the premium required to keep this Contract in force has not been received at our Home Office.
- 3) The date you surrender this Contract.
- 4) The Contract Maturity Date shown on the Contract Specifications page.

Any dividend accumulations and the cash value of any paid-up dividend additions shall be paid to the owner upon termination of the contract.

SECTION 6 INSURANCE PROCEEDS

When the Insured dies, an amount of money called the Insurance Proceeds, will be payable to the beneficiary. The Insurance Proceeds are described in this section.

6.1 Current Face Amount

The Initial Face Amount of Insurance is shown on page 3. You may decrease the Initial Face Amount of Insurance as described in Section 7. A change of Death Benefit Option as described in Section 7.2 may increase the Initial Face Amount. The Current Face Amount on any date is the Initial Face Amount of Insurance plus any face amount increases and minus any face amount decreases on or prior to that date.

6.2 Minimum Death Benefit

This Contract is intended to qualify as a "life insurance contract" under Section 7702 of the Internal Revenue Code by providing a Minimum Death Benefit in compliance with the Cash Value Accumulation Test. The Minimum Death Benefit on any date is the amount of paid-up whole life insurance that would be purchased by the Account Value as a net single premium at the Insured's sex and Attained Age using the mortality and interest rates described in Section 8.4. If, at any time, a different method or basis which provides a higher Minimum Death Benefit is needed to satisfy the Cash Value Accumulation Test, the Minimum Death Benefit will be calculated on that method or basis. We reserve the right to make any reasonable adjustments to the terms or conditions of this policy if it becomes

necessary to allow it to qualify as life insurance. A change in Death Benefit Option or Current Face Amount, or certain other policy changes, will often change the policy's limits under the Cash Value Accumulation Test. We reserve the right to refuse or limit any request for a change if the change would cause the policy to fail to qualify as life insurance for tax purposes.

This provision should not be construed to guarantee that this policy will receive tax treatment as life insurance or that the tax treatment of life insurance will never be changed by the future actions of any tax authority.

6.3 Death Benefit Options

The Death Benefit Option in effect as of the Certificate Date is shown on the Contract Specifications page and may be subsequently changed by you in accordance with Section 7.2. There are two death benefit options:

Option 1 - The Base Amount of Insurance will be the greater of:

- 1) the Current Face Amount; and
- 2) the Minimum Death Benefit.

Option 2 - The Base Amount of Insurance will be the greater of:

- 1) the Current Face Amount plus the Account Value, and
- 2) the Minimum Death Benefit.

6.4 Insurance Proceeds Calculation

The Insurance Proceeds are:

- 1) The Base Amount of Insurance from the death benefit option in effect on the date of death
PLUS
- 2) Any insurance on the Insured's life which may be provided by riders to this Contract
PLUS
- 3) Any insurance bought with dividends
MINUS
- 4) Any Indebtedness.

Within a reasonable period (not longer than two months) after we have received due proof of the Insured's death and of the claimant's right to payment, we will pay the Insurance Proceeds in one lump sum unless one or more of the payout plans described in Section 14 is selected. We will pay interest on the proceeds from the date of death to the date of settlement at the rate paid on the date of death on funds left on deposit with us.

Additional interest, at a rate of 8%, will be paid if the Insurance Proceeds are not paid within 30 calendar days from the latest of (1) our receipt of due proof of the Insured's death, (2) our receipt of sufficient information to determine the extent of liability and payee, and (3) removal of any legal impediments to payment of proceeds that were depended upon parties other than us. Due proof of the Insured's death will consist of a certified copy of the Insured's death certificate, or other lawful evidence providing equivalent information and proof of the claimant's interest in the proceeds.

SECTION 7 CHANGES IN FACE AMOUNT AND DEATH BENEFIT OPTION

7.1 Decrease In Face Amount

After the Contract has been in force for one (1) Contract Year, you may decrease the face amount at any time before the Contract Maturity Date. The decrease is subject to the following:

- 1) Only one decrease is allowed in each Contract Year
- 2) You must give Written Notice.
- 3) The decrease must be at least \$10,000
- 4) The decrease will be applied, in successive order, against:
 - a. The most recent increase from a change of Death Benefit Option;
 - b. The next most recent increase(s); then
 - c. The Initial Face Amount.
- 5) The decrease will not reduce the Surrender Charge.
- 6) The Face Amount after the decrease must not be less than the Minimum Face Amount shown on the Contract Specifications page.
- 7) The effective date of the decrease will be the Monthly Anniversary on or next after the date we receive Written Notice. That date will be shown on the supplemental contract schedule that we will mail to you.

7.2 Changes of Death Benefit Option

After the Contract has been in force for one (1) Contract Year, you may change the death benefit option at any time before the Contract Anniversary on or next following the Insured's 85th birthday. The change is subject to the following:

- 1) Only one (1) Death Benefit Option change is allowed in any Contract Year.
- 2) You must give Written Notice.
- 3) If you change from Option 1 to Option 2, the Face Amount will be decreased by the Account Value on the effective date of the change. The decrease in Face Amount will be applied in the order specified in Section 7.1. However, this change may not be made if it would reduce the Face Amount to less than the Minimum Face Amount shown on the Contract Specifications page.
- 4) If you change from Option 2 to Option 1, the Face Amount will be increased by the Account Value on the effective date of the change. A new schedule of Surrender Charges will apply to the increase in Face Amount.
- 5) The effective date of the change will be the Monthly Anniversary on or next after the date we receive Written Notice. The new Death Benefit Option will be shown on the supplemental contract schedule that we will mail to you.

SECTION 8 ACCOUNT VALUE

8.1 Account Value

The Account Value is the sum of:

- 1) Net Premiums received by us; and
- 2) Interest credited;

LESS the sum of:

- 3) Monthly Deductions; and
- 4) Any partial withdrawals made.

8.2 Net Account Value

The Net Account Value is equal to the Account Value less any Indebtedness.

8.3 Interest

Interest is credited daily on the Account Value. We guarantee that the interest rate credited will not be less than an effective annual rate of four percent (4%). We may credit interest in excess of the guaranteed rate. However, the credited excess interest on the portion of the Account Value equal to any Indebtedness may be lower than the credited excess interest rate on any unloaned Account Value.

8.4 Basis of Computations

Net single premiums in this Contract are based on the Commissioner's 2001 Standard Ordinary Male and Female Select and Ultimate Mortality Tables, split smoker/nonsmoker. Interest is at four percent (4%) per year.

The computations consider that the Contract is issued on the basis of the Insured's sex and age at last birthday. They are also based on the assumption that Death Benefits are payable immediately upon death.

The Commissioner's Reserve Valuation Method is used in the calculation of reserves.

The Cash Surrender Values available under this Contract are equal to or greater than those required by the law of any state in which this Contract is delivered. We have filed a detailed statement of the method of computation with the insurance supervisory official of the state in which this Contract is delivered.

SECTION 9 SURRENDER

9.1 Cash Surrender Value

The Cash Surrender Value on any day is equal to the Net Account Value less the sum of:

- 1) The amount, if any, needed to cover unpaid Monthly Deductions; and
- 2) The Surrender Charges, if any, applicable on that day.

The Cash Surrender Value on a Monthly Anniversary is determined without regard to the Monthly Deduction on that date. If the request is made within 30 days of a Contract Anniversary, the Cash Surrender Value will not be less than the anniversary value. Cash Surrender Values are not less than the minimum values required by law.

We have the right to defer the payment of any Cash Surrender Value for six months from the date the surrender is requested.

9.2 Full Surrender

You may surrender this Contract for its Cash Surrender Value by giving Written Notice while the Insured is living. The surrender will be effective on the later of the day you give Written Notice to Catholic Knights or a Catholic Knights financial services representative, or the date you specify. Insurance coverage ceases on the effective date of the surrender.

9.3 Partial Withdrawal

You may withdraw a portion of the Account Value by giving Written Notice while the Insured is living. The Withdrawal will be effective on the day you give Written Notice to Catholic Knights or a Catholic Knights financial services representative. Up to four (4) Partial Withdrawals may be requested in any Contract year and each Partial Withdrawal must be at least \$200. A Partial Withdrawal:

- 1) Will reduce the Account Value by the amount of the Partial Withdrawal;
- 2) Must not reduce the remaining Cash Surrender Value to less than \$300; and
- 3) If the Death Benefit Option is Option 1, then the Partial Withdrawal will decrease the Current Face Amount by the amount of the Partial Withdrawal. The decrease in Face Amount will be applied in the order specified in Section 7.1.

SECTION 10 MONTHLY DEDUCTION

10.1 Monthly Deduction

The Monthly Deduction from the Account Value is the sum of:

- 1) The monthly cost of any additional benefits and riders; and
- 2) The monthly Cost of Insurance (see Section 10.2).

The first Monthly Deduction is made on the Certificate Date. Thereafter, a Monthly Deduction is made on each Monthly Anniversary prior to the Contract Maturity Date, unless a premium is in default (see Section 5.3) Deductions from Account Value are made in the order listed above.

10.2 Cost of Insurance

The Cost of Insurance is determined on the Certificate Date and on each Monthly Anniversary. It is equal to the Cost of Insurance Rate multiplied by the Risk Amount divided by 1,000.

10.3 Cost of Insurance Rate

We will determine the Cost of Insurance Rate monthly. The rate is based on the Insured's Insurance Class, issue age and number of years since the Certificate Date. For the Initial Face Amount, the Cost of Insurance Rate is based on Issue Age and the number of years since the Certificate Date. The Insurance Class for the Initial Face Amount is shown on the Contract Specifications page.

We may charge less than the maximum rate. Any change in Cost of Insurance Rates will apply to all Insureds of the same Insurance Class, issue age, and number of years since the Certificate Date. Any change will be based upon future anticipated or emerging Experience Factors. Experience Factors include investment earnings, mortality, persistency, taxes and expenses.

10.4 Risk Amount

The Risk Amount is equal to:

- 1) The Base Amount of Insurance divided by an interest factor of 1.0032737;

Less:
- 2) The Account Value (before the Cost of Insurance is deducted).

SECTION 11 LOANS

11.1 Loan

You can get cash from us by taking a loan. If there is an existing loan, you can increase it. You may obtain a loan from us with this Contract as sole security if:

- 1) You give Written Notice; and
- 2) The loan does not increase Indebtedness to more than the Cash Surrender Value plus the cash value of any dividend options.

We have the right to defer making a cash loan for up to six months from the date the loan is requested, except when the request is made to pay premiums on any contract with us.

11.2 Loan Interest

The loan interest rate charged will not exceed the greater of (1) and (2), where:

1. is the Interest Rate shown in the Contract Specifications plus 1% per annum; and
2. is the Moody's Corporate Bond Yield Average-Monthly Average Corporates for the calendar month ending two months before the beginning of the month in which your Contract Anniversary falls. If the maximum is at least one-half of one percent smaller than the rate we have set for the previous contract year, we will reduce the rate to a rate no more than that maximum. If the maximum is at least one-half one percent greater than the rate we have set for the previous contract year, we will increase the rate to a rate no more than that maximum. Moody's Corporate Bond Yield Average-Monthly Average Corporates referred to above is pushed by Moody's Investors Service, Inc. In the event it is no longer published, we will use a similar average established by applicable regulation.

Interest will accrue daily on loans. Accrued interest may be paid at any time at the equivalent effective rate. In the event you do not pay the loan interest charged in any contract year, it will be borrowed against the contract and added to the contract indebtedness and bear interest at the same rate.

When a loan is made, we will inform you of the rate and if any rate increase is to be made within 40 days. We will mail a notice to you and any assignee recorded at the Home Office at least 30 days before we make any rate increase which will apply to an existing loan.

11.3 Indebtedness

Indebtedness consists of all unpaid loans and accrued interest. All or part of the Indebtedness may be repaid at any time while the Insured is living. If there is a loan on this Contract, you must notify us if a payment to us is a repayment of indebtedness. Otherwise, it will be considered a premium payment. Repayments of Indebtedness do not change the Account Value. Upon death any Indebtedness will be deducted from the Insurance Proceeds. Upon Surrender any Indebtedness will be deducted from the Cash Surrender Value.

If the total indebtedness, including interest due and accrued, will equal or exceed the Cash Surrender Value plus the cash value of any dividend additions, the contract will be terminated. Notice of the premiums required to keep this contract in force will be mailed to you, and any assignee of record, at the address last known to us. You will have 30 days after the date of notice, or, if longer, the balance of

the grace period, during which the contract will remain in force. If the required premium is not received at our Home Office, this contract will terminate.

SECTION 12 BENEFICIARY

12.1 Designated Beneficiary

The beneficiary is the person or persons to whom the Insurance Proceeds are payable upon the death of the Insured. You may name a contingent beneficiary to become the beneficiary if all the beneficiaries die while the Insured is alive. If no beneficiary or contingent beneficiary is named, or if none is alive when an Insured dies, the owner (or the owner's estate) will be the beneficiary.

If more than one beneficiary is alive when the Insured dies, we will pay them in equal shares, unless you have chosen otherwise.

12.2 Change of Beneficiary

While the Insured is alive, you may change any beneficiary by Written Notice to us unless the beneficiary has been made irrevocable. Changes in the beneficiary, unless otherwise specified by the owner, will take effect on the date the notice of change is signed by the owner. No change is binding on us until it is recorded at our Home Office. Once recorded, the change binds us as of the date you signed it. The change will not apply to any payment made by us before we recorded your request.

SECTION 13 DIVIDENDS

13.1 Dividends

Each year we will determine our divisible surplus. This Contract's share, if any, will be credited as a dividend on the Contract Anniversary. Since we do not expect this Contract to contribute to divisible surplus, it is not expected that any dividends will be credited.

13.2 Dividend Options

You may choose to apply dividends under any of the options listed below. Dividends will be applied under the Payment of Premium option unless a different option has been chosen in writing.

Cash. Dividends are paid in cash

Payment of Premium. Dividends are applied as payment of a Net Premium.

SECTION 14 OPTIONAL PAYOUT PLANS

14.1 Optional Payout Plans

At the time of their commencement, any benefits provided under this contract will not be less than those provided by the application of the Cash Surrender Value to purchase a single consideration immediate annuity contract at purchase rates offered by us at the time to the same class of annuitants.

If no optional payment plan is selected, any benefits provided by this contract will be paid in cash.

The optional payout plans available to the Beneficiary upon death of the Insured are:

- A. **Interest Deposit Account** – The allocated Insurance Proceeds will be held by us in an Interest Deposit Account and will earn interest annually at rates that we determine from time to time, but never less than one and one half percent (1.5%). The interest may be paid periodically or left to accumulate. The payee may withdraw all or part of the account at any time.
- B. **Payments For a Guaranteed Period** – We will periodically pay the amount that is calculated so that the allocated Insurance Proceeds plus interest are fully paid over a guaranteed period that may be selected. The guaranteed period must be at least five (5) years. We reserve the right to set a maximum limit. The payee may not withdraw any of the account at any time.

C. Payments Based on a Single Life

- 1) **Life Only Annuity** – We will periodically pay the amount that is calculated so that the allocated Insurance Proceeds plus interest would be fully paid over a period based on the payee's life expectancy. We will pay that amount as long as the payee is alive. We will make no further payments after the payee's death. The payee may not withdraw any of the account at any time.
- 2) **Life Annuity With Period Certain** – We will periodically pay the amount that is calculated so that the allocated Insurance Proceeds plus interest would be fully paid over a period based on the payee's life expectancy and the probability that the payee would not survive a certain period that may be selected. The certain period must be either ten (10) or twenty (20) years. If the payee dies during the certain period, we will pay the present value of the remaining certain-period payments to the payout plan beneficiary pursuant to his or her election of a lump sum or an eligible payout plan. To be eligible, the payout plan must pay out at least as rapidly as the plan in effect when the payee died. If the payout plan beneficiary does not make such an election, we will pay the annuity proceeds in a lump sum. If the payee survives beyond the selected period, we will continue making the periodic payments until the payee's death. The payee may not withdraw any of the account at any time.

D. Joint and Survivor Lifetime Payments – We will periodically pay the amount that is calculated so that the allocated Insurance Proceeds plus interest would be fully paid over a period based on the life expectancies of two (2) payees. We will pay that amount as long as one or both payees are living. Neither beneficiary may withdraw any of the account at any time.

E. Other Plans – Other periodic plans may be arranged with us.

14.2 Minimum Payment Guarantee

The amount of the periodic payment under paragraphs B through E above will be determined by a single interest rate that we will declare when the plan takes effect and which will be at least one and one half percent (1.5%). Payments that depend on one or more lives will also be determined by a mortality table that we will declare when the plan takes effect and which will be at least as favorable to the beneficiary as the Annuity 2000 Mortality tables, split by sex.

Tables 1, 2 and 3 in Section 14.5 show the minimum guaranteed payments for each plan under paragraphs B, C and D, respectively, under certain stated assumptions.

14.3 Who May Choose An Optional Payout Plan

A choice of a payout plan for Insurance Proceeds may be made by you while the Insured is still alive. If no selection is made, the beneficiary shall have the right to select the plan. All choices of payout plans will take effect when recorded by us. When a payout plan starts we will issue a contract which will describe the terms of the plan. We may require that you send us this Certificate.

If the payee is not a natural person, the choice of a payout plan will be subject to our approval. An assignment will modify a prior choice of payout plan. The amount due the assignee will be payable in one sum and the balance will be applied under the plan. We will not accept assignments of payout plans for the benefit of creditors.

14.4 Frequency of Payments

Monthly, quarterly, semi-annual or annual payments may be selected, subject to our administrative minimums.

14.5 Payout Plan Guaranteed Payments

The monthly amounts shown are for each \$1,000 applied. To change monthly payments to quarterly, semi-annual or annual payments, multiply the monthly amount by 3.00; 6.02; or 12.08, respectively. Actual payments may be more than these guaranteed amounts. The tables below assume that no cash withdrawals are made; only the minimum guaranteed interest of one and one half percent (1.5%) is paid, and payments are made at the end of the payment mode selected. Tables 2 and 3 are based on the Annuity 2000 Mortality tables, split by sex.
